

The Learning Vine Refund Policy

Updated 12/2/10

Friday Enrichment Classes only

The following preliminary payments are **non-refundable** and **non-transferrable**:

- **Registration Fee:** \$15 per child, per registration form. If you send in two forms, you must pay two fees. This must be paid online at the time of registration using Visa, MasterCard, or PayPal. This is only refundable if the student on this registration did not get into any of the desired classes due to the classes being full or cancelled.
- **Facility Fees:** \$10 per class. This must be paid online at the time of registration using Visa, MasterCard, or PayPal. This is transferrable only in the case of a class being full and a second choice being previously made. This is refundable only if the student does not get into the desired class and no second choice was made.
- **Supply Fees:** Certain classes require a supply fee being sent via mail to the teacher. This is non-refundable. This is only required by those who are on the roster, not on the waiting list.

Tuition:

The tuition is due at the Orientation meeting, which is one week prior to the start of classes. A prorated refund of the tuition balance may be obtained after one class had been attended if you feel that LV is not for your family. After that, tuition will not be refunded unless there is a severe medical situation or your family must make an unforeseen move out of the area.

We value the high quality teachers at LV and want to respect their need to be reimbursed for supplies and time spent planning. Please carefully consider enrollment with these stipulations in mind.
